# PRODUCT OVERVIEW

June 2019

Norske Skog is a world-leading producer of newsprint and magazine paper with 7 paper mills around the globe. We meet each of our customer's needs with sales, service, and technical representatives, who take an interest in customers as individuals. In every region, our contact with our customers is a familiar face, supported by the resources of a global company.

For more product details, please contact your local Norske Skog sales representative, or visit our website: [www.norskeskog.com](http://www.norskeskog.com)
