European Timber Regulation (EUTR)

PEFC™ Chain of Custody Standard

FSC® Chain of Custody Standard

Dear Customer,

we, supplying wood-based material to your company, declare that:

- to the best of our knowledge the supplied material does not originate from controversial sources
- we will provide information concerning:
    - product/material identification including trade name and product type;
    - tree species included in the supplied material by common name and, if applicable, scientific name;
    - country of harvest of the supplied material and, if applicable, the subnational region and/or concession of harvest;
    - demonstration of compliance with legislation and activities as referred to in the definition of controversial sources.

      (see list below)
